

ORDER INFORMATION

Emergo Train System® (ETS) is a registered trademark owned by Region Östergötland. ETS can be ordered as a pre-designed set and/or pre-designed items. It is also possible to customize the sets or separate symbols on request.

Pre-designed sets

The Emergo Train System sets are designed for pre-hospital and hospital exercises. There is also a set for training in psychosocial support. The standard sets are available in different languages.

If you prefer, the number and type of items in a set can be designed after your needs. You maybe want for example more ambulance symbols and less signs? Just contact us and we will help you!

Customized items

We can customize items in the sets on request. Customization can be for example changing colour or text on staff symbols, vehicles or signs. Contact the ETS Competence center for more information.

Prices and shipping

Please contact the ETS Competence center for price of the training material. Shipping cost is not included in the price of training material. We can provide you in advance what the price will for shipping will be. We can usually ship an order 5-6 weeks from order date.

Order

Please fill in the order form (available to download on the ETS website) and send it to us by email.

Order confirmation

When we received your order, we will send you an order confirmation by email.

Questions and contact information

If you have any questions, do not hesitate to contact us!
